

# TIMOTHY RAYMOND

## STRING QUARTET

A mysterious quality lies at the heart of Timothy Raymond's acclaimed String Quartet, first performed in 2007. Niggling motifs emerge from a dreamlike continuum of glissandos, sparking a succession of developments – by turn tentative, unsettling, determined, energetic, emphatic, furious and lyrical – characterized by highly varied, idiomatic string writing. The piece pursues a latter-day expressionist path towards, and away from, a sustained, intimately poised centre, the whole reflecting the composer's colourful synthesis, distillation and development of contemporary composition.
