

MATER TENERA

EMMA BROWN
(*1985)

In tenebris lux lucet:
una persona, nisi una sola, saepe satis est.
In tenebris lux lucet
et tenebrae eam non comprehenderunt.
Gratias tibi, mater tenera.
Luceat lux tua, nunc et in saecula.

A light shines in the darkness:
One person, just one, is often enough.
A light shines in the darkness,
and the darkness does not overcome it.
Thank you, tender mother.
Let your light shine, now and evermore.

Johannes 1:5, C. Noble, E. Brown, translation Y. Robbers
